

TEAM FUNDRAISING!

Let us help your team raise money this summer! Bring out your friends and family to enjoy a Pickles game while collecting funds for your team.

We make it simple for you, you sell the game voucher at face value for \$10.00 and you keep \$5.00 of each ticket.

The Pickles have helped community members raise over thousands of dollars with our fundraisers, don't miss your chance to fundraise with us this summer!

Vouchers can be redeemed by calling the office to book their preferred game, or come to the box office before the game for the selected game.

Call the front office today to secure your spot!
